Introduction

This booklet provides a list of our network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the WellCare Value Script (PDP) formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means WellCare. When it refers to “plans” or “our plans” it means WellCare Value Script (PDP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 08/23/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with an asterisk * to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail service delivery program. For more information, please contact us or see the mail service section of this Pharmacy Directory. Pharmacies are to obtain consent prior to shipping or delivering any prescriptions that you did not personally initiate.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. We will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the automatic refill program, please contact us 16 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us at the phone number listed on the first page of this booklet or visit www.wellcare.com/PDP. Some pharmacies offer both retail and mail services.

This directory is for North Carolina, which covers the area in which you live. However, we cover a larger service area, with more pharmacies at which you may fill your prescriptions. For information on additional pharmacies where you can get benefits under this plan, please contact us at the number phone listed on the front and back covers.

Pharmacies in this directory are grouped by type of pharmacy and listed alphabetically, by County and City.

Some pharmacies offer an extended supply of medications. These pharmacies are identified by the Extended Medication Supply icon  after the pharmacy name. Prior to filling your prescription, please call the pharmacy directly to confirm it has the quantity of medication you need.

Some pharmacies are open 24 hours a day. These pharmacies are identified by the 24-Hour Pharmacy icon  after the pharmacy name. Prior to filling your prescription, please call the pharmacy directly to confirm it is open 24 hours a day.

Some pharmacies offer e-Prescribing. This means the pharmacy will accept electronic prescriptions directly from your physician's office. Pharmacies that offer e-Prescribing are identified by the e-Prescribing icon  after the pharmacy name.

Some pharmacies offer preferred cost sharing. Pharmacies that offer preferred cost-sharing are identified with an asterisk *. As a member, you may have your prescriptions filled by any network pharmacy; however, the amount you pay may be lower using a network pharmacy that offers preferred cost sharing than a network pharmacy that offers standard cost sharing.

Wellcare Prescription Drug Plan Inc.'s pharmacy network includes limited lower-cost, preferred pharmacies in suburban areas of CO, CT, HI, MA, ME, NH, NY, RI, VT; rural areas of AK, AR, IA, KS, MN, MO, MT, ND, NE, OK, SD, WI, WY; and urban areas of AL, CT, MA, ME, MS, NH, NY, RI, TN, VT. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call **1-833-207-4241 (TTY 711)** for Rx Saver, Rx Select, and Rx Value Plus plans and **1-888-550-5252 (TTY 711)** for Classic, Value Script, and Wellness Rx plans or consult the online pharmacy directory at **www.wellcare.com/PDP**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

To access WellCare's online pharmacy directory, you can visit www.wellcare.com/PDP. For any questions about the information contained in this directory call Customer Service at the phone number listed on the first page of this booklet.

Introducción

Este folleto provee una lista de las farmacias de nuestra red. Para obtener una descripción completa de su cobertura de recetas, incluso cómo obtener sus recetas, por favor consulte la Evidencia de Cobertura y la(s) lista(s) de medicamentos de WellCare Value Script (PDP).

Cuando este directorio de farmacias se refiere a “nosotros”, “nos” o “nuestro”, significa WellCare. Cuando se refiere al “plan” o a “nuestro plan”, significa WellCare Value Script (PDP).

Las farmacias en esta lista reciben el nombre de “farmacias de la red” porque hemos acordado con ellas proporcionar los medicamentos con receta a los miembros del Plan. En la mayoría de los casos, sus recetas están cubiertas por nuestros planes solo si son dispensadas en una farmacia de la red o a través de nuestra farmacia de servicio por correo. Una vez que usted visita una farmacia, no tiene la obligación de seguir yendo a la misma para obtener su receta, sino que puede ir a cualquiera de nuestras farmacias de la red. Dispensaremos medicamentos con receta en farmacias fuera de la red solo en circunstancias especiales, tal como se describe en su Evidencia de Cobertura.

Es posible que este directorio no incluya todas las farmacias de la red. Puede que se hayan incorporado o eliminado farmacias después de imprimir este directorio. Esto significa que las farmacias listadas podrían ya no estar en nuestra red, o que haya nuevas farmacias en nuestra red que no están listadas. Esta lista está actualizada al 08/23/2019. Para la lista más actualizada, por favor comuníquese con nosotros. Nuestra información de contacto aparece en las cubiertas frontal y posterior.

Usted puede ir a todas las farmacias de esta lista, pero los costos de algunos medicamentos pueden ser menores en las farmacias con servicio por correo de esta lista, que ofrecen un costo compartido preferido. Hemos marcado estas farmacias con un asterisco * para distinguirlas de otras farmacias de nuestra red que ofrecen un costo compartido estándar.

Usted puede solicitar que se le envíen sus medicamentos con receta a su domicilio a través de nuestro programa de servicio de entrega por correo de la red. Para más información, por favor comuníquese con nosotros o consulte la sección relativa a servicios por correo de este Directorio de Farmacias. Las farmacias deben obtener su consentimiento antes de enviar o entregar cualquier medicamento con receta que usted no haya solicitado personalmente.

Para renovar sus medicamentos con receta pedidos por correo, usted tiene la opción de inscribirse en un programa de renovación automática. Comenzaremos a procesar su próxima renovación automáticamente cuando nuestros registros indiquen que su medicamento está por acabarse. Nos comunicaremos con usted antes de enviar cada renovación para asegurarnos de que necesita el medicamento. Usted puede cancelar las renovaciones programadas si tiene una cantidad suficiente de su medicamento o si su medicamento ha cambiado. Si decide no usar el programa de renovación automática, por favor comuníquese con nosotros 16 días antes de la fecha en que cree que los medicamentos que tiene se acabarán para asegurarse de que le enviemos su próximo pedido a tiempo. Para dejar de participar en el programa de renovación automática, por favor comuníquese con nosotros al número de teléfono indicado en la primera página de este folleto o visite www.wellcare.com/PDP. Algunas farmacias ofrecen tanto ventas minoristas como servicio por correo.

Este directorio corresponde a North Carolina, que cubre el área en la que usted vive. Sin embargo, cubrimos un área de servicio mayor, con más farmacias en las que usted puede obtener sus recetas. Para información sobre farmacias adicionales donde puede obtener los beneficios de este plan, por favor comuníquese con nosotros al número de teléfono indicado en las cubiertas frontal y posterior.

Las farmacias en este directorio están agrupadas por tipo de farmacia y figuran alfabéticamente por condado y ciudad.

Algunas farmacias ofrecen un suministro extendido de medicamentos. Estas farmacias se identifican a través del ícono “Suministro extendido de medicamentos”  junto al nombre de la farmacia. Antes de surtir su receta, comuníquese con la farmacia directamente para confirmar que tengan la cantidad de medicamento que necesita.

Algunas farmacias abren las 24 horas del día. Estas farmacias se identifican a través del ícono “Farmacia de 24 horas”  junto al nombre de la farmacia. Antes de surtir su receta, comuníquese con la farmacia para confirmar directamente que abre las 24 horas.

Algunas farmacias aceptan recetas electrónicas. Esto significa que la farmacia acepta recetas electrónicas enviadas directamente desde el consultorio de su médico. Las farmacias que aceptan recetas electrónicas se identifican a través del ícono “e-Prescribing”  junto al nombre de la farmacia.

Algunas farmacias ofrecen distribución de costos preferida. Las farmacias que ofrecen distribución de costos preferida se identifican con un asterisco *****. Como miembro, usted puede surtir sus recetas en cualquier farmacia de la red; sin embargo, el monto que usted paga puede ser menor al usar una farmacia de la red que ofrece distribución de costos preferida que al usar una farmacia de la red que ofrece distribución de costos estándar.

La red de farmacias de Wellcare Prescription Drug Plan Inc. incluye un número limitado de farmacias preferidas de menor costo en áreas suburbanas de CO, CT, HI, MA, ME, NH, NY, RI, VT; áreas rurales de AK, AR, IA, KS, MN, MO, MT, ND, NE, OK, SD, WI, WY; y áreas urbanas de AL, CT, MA, ME, MS, NH, NY, RI, TN, VT. Los costos inferiores anunciados en los materiales de nuestro plan para estas farmacias pueden no estar disponibles en la farmacia que usted utiliza. Para obtener información actualizada sobre las farmacias de nuestra red, incluido si hay alguna farmacia preferida de menor costo en su área, llame al **1-833-207-4241** (TTY **711**) para los planes Rx Saver, Rx Select y Rx Value Plus, y al **1-888-550-5252** (TTY **711**) para los planes Classic, Value Script y Wellness Rx, o consulte el directorio de farmacias en línea en **www.wellcare.com/PDP**.

Si tiene preguntas acerca de cualquier aspecto de lo anterior, por favor consulte la primera página y la cubierta posterior de este directorio para información sobre cómo comunicarse con nosotros.

Para acceder al directorio de farmacias en línea de WellCare, puede visitar www.wellcare.com/PDP. Si tiene alguna pregunta acerca de la información en este directorio, llame a Servicio al Cliente al número de teléfono que aparece en la primera página de este folleto.
